Emne: Champalimaud symposium

Dear Prof. Laurberg,

It is my pleasure to write to you from the Champalimaud Foundation following your recent contact with Bill Heald. I am delighted to hear from Bill that you will be able to join us in Lisbon for our symposium on "Angels and Demons in rectal cancer: Challenging the dogmas". In the next couple of days I will be able to send you the full programme for this symposium.

Our office is at your disposal to make all flight and accommodation bookings for your trip to Portugal. Please let me know at your earliest convenience your preferred dates/times of travel, as well as the departure airport, and I will have all arrangements made.

I will be in touch again shortly but in the meantime please do not hesitate to contact me on any matter. I look forward to seeing you in Lisbon.

Warm regards,

Andrew Tasker, PhD
