Dear Professor Larsen

I am pleased to confirm that the University Senate has approved a recommendation that you be accorded the status of Honorary Visiting Professor in the Department of Computer Science for a period of 5 years from 1 April 2019. This will be reported to the next meeting of the University Council.

Your honorary status entitles you to membership of the University Library and use of facilities offered by the University IT Service with user id : **pl1019**. If you wish to register for these, can you please inform Julie Sugden in the Vice-Chancellor's Office (Julie.sugden@york.ac.uk) of your date of birth so our IT Department can set this up and give you the necessary password.

Please accept my congratulations.

Yours sincerely

Jo Horsburgh
Registrar and Secretary
