

Curriculum Vitae

Education

August 2001 Master in Molecular Biology from Faculty of Science, Aarhus University
May 2007 PhD in Medicine from Faculty of Health Sciences, Aarhus University

Positions

July 2002 - Jan. 2006 PhD fellow at Department of Physiology, Aarhus University
Feb. 2006 - Dec. 2007 Research assistant at Department of Physiology, Aarhus University
Jan. 2008 - Jan. 2012 Postdoc at Department of Physiology, Aarhus University
Feb. 2012 - Jan. 2016 Associate professor at Department of Biomedicine, Aarhus University
Feb. 2016 - Department of Clinical Medicine, Aarhus University

Awards/funding

2011 Funding from the Lundbeck Foundation (2.762.766 kr)
2011 "Best presentation award" at 13th international ATPase conference Na,K-ATPase and related ATPases, Pacific Grove, CA, USA.
2010 National fellowship "For Woman in Science" of L'Oréal Denmark, The Danish National Commission for UNESCO and The Royal Danish Academy of Science.
2008 "Young Elite Researcher's Award" of the Danish Councils for Independent Research at the Eliteforsk Conference and three-year postdoc fellowship from the Danish Medical Research Council (2.400.000 kr)
2006 Award for best oral presentation at PhD Day, Faculty of Health Sciences, Aarhus University
2002 Award for best poster at PhD Day, Faculty of Health Sciences, Aarhus University

Teaching

Pregraduate teaching of molecular medicine students in physiology. Teaching and supervision of bachelor, master, and PhD students in medicine, molecular medicine, and molecular biology.
