

Curriculum Vitae

Education

2006 Ph.d. (Molecular biology), Aarhus University.
2002 M.Sc. (Molecular biology), Aarhus University.
1999 B. Sc. (Molecular biology), Aarhus University.

Employment

2013- Special consultant, ST Learning Lab, Aarhus University
2009-2013 Senior advisor, Department of Molecular Biology, Aarhus University (Carlsberg postdoctoral fellow)
2007-2008 Maternity leave (October 2007-July 2008)
2007-2009 Postdoc, Department of Molecular Biology, Aarhus University
2005 Maternity leave (March 2005-December 2005)
2000-2006 Ph.d. student, Department of Molecular Biology, Aarhus University

Scientific focus area

Science education in Higher Education, with particular focus on teaching and learning of content knowledge, critical thinking, computational skills, and academic skills in laboratory teaching and other small class teaching settings. Professional development for teachers at all career levels in higher education.

Academic work and supervision (last 5 years)

2018- Teacher in pedagogical course for student teachers at "Det rullende universitet"
2015- Co-Supervision of 6 M.Sc. Projects in Science Education:

Forskningserfaringer på første år (2019)

Laboratorieundervisning med projektføreløb: Hvad er meningen og kan de studerende se den? (2018)

At blive kemiker-hvilken rolle spiller laboratorieundervisning (2017)

Laboratorieøvelser som læringsaktivitet (2016)

Aktiviteter og dialog i kemilaboratoriet (2016)

Hvad foregår der i laboratorieundervisning? (2015)

2017- Teacher and course coordinator Aarhus University Teacher Training Program- Small Class Teaching and teacher at the EducationalIT module

2015- Teacher and course coordinator at the Ph.D. course Science Teaching
