## Education

**2004:** Bachelor in Molecular Biology and Chemistry, Aarhus University  
**2007:** MSc in Molecular Biology, Aarhus University  
**2013:** PhD in Medical Sciences, Aarhus University, Health

## Employment

**2007-2008:** Research Assistant, The Water and Salt Research Centre, Aarhus University Hospital, Skejby  
**2008-2013:** PhD student, The Water and Salt Research Centre, Aarhus University Hospital, Skejby ((Maternity leave: Dec 09-Nov 10, Dec 11-Nov 12)  
**20013-2014:** Research Assistant, Department of Biomedicine, Aarhus University  
**2014-2018:** Postdoc, Department of Animal Science, Aarhus University.  
**2018-:** Researcher, Department of Animal Science, Aarhus University.

## Research

Author/co-author of 18 publications. Hereof 11 peer-reviewed journal publications (6 as first author)  
Web of Science (March 2019): Citations= 90, H-Index=5  
Google Scholar (March 2019): Citations 134, H-index 6  
Supervisor for 2 bachelor students, 1 Erasmus Mundus Master student, 2 internship (Engineering)

## International network

- Three research stays at Laboratory of Kidney and Electrolyte Metabolism, National Institutes of Health, Washington DC (Volunteer researcher)
- Research collaborator within European CoreOrganic project "Prorefine" (2018-2020).

## Leadership and Administration

**2017-2019:** Work package leader on the research project "SupergrassPork" (Organic RDD project funded by GUDP)  
**2015:** Project management course Aarhus University  
**2013:** Chairman PhD day Health, AU  
**2008-2012:** Substitute members of European COST research cooperation (COST ACTION BM0702)  
- Member of organizing committee for the annual meeting in PhD research school FP10; Translational Medicine

## Teaching

Teaching courses:

**2016:** Teacher Training Programme for assistant professors and postdoc at Aarhus University  
**2011:** PhD course in "Educational Theory and Practice" at Aarhus University, Health  
**2016-2019:** Biorefining of grass: 1-day course for EUX students (Responsible)  
**2018-2019:** Husdyrernæring. Bachelor course, Agrobiologi, AU. 10 ECTS  
**2014-2016:** Nutritional Physiology Lecturer, Bachelor Course on Agrobiologi, AU, 5 ECTS  
**2008, 2009, 2011:** Experimental Physiology Lecturer and lab exercises, Master course, Department of Biology, Aarhus University  
**2008:** Renal Physiology (Teaching, PhD course, Health, Aarhus University)
