

## Curriculum Vitae

Name: Erik Østergaard Jensen  
Born: June 20th 1956  
Present address: Ydunsvej 18, 8230 Åbyhøj

### Education and training

1981 Cand. scient. awarded, Faculty of Sciences, Aarhus University  
1985 PhD awarded, Faculty of Sciences, Aarhus University  
1985 Qualifications approved at the level of Assistant Professor  
1986-87 Max Planck Institut für Züchtungsforschung, Cologne, Germany, OECD Fellowship  
1989 Qualifications approved at the level of Associate Professor  
1993-94 CSIRO, Division of Plant Industry, Canberra, Australia Sabatical leave  
1998 Qualifications approved at the level of Professor

### Employment

1981-83 Department of Molecular Biology, Aarhus University, Research assistant  
1983-85 Department of Molecular Biology, Aarhus University, Deputy for Assistant Professor  
1985-89 Assistant Professor, Department of Molecular Biology, Aarhus University  
1989-06 Associate Professor, Department of Molecular Biology, Aarhus University  
2006- Head of Department

### Teaching experience

1983-86 Plant Physiology lectures and practicals for undergraduate student  
1987-91 Advanced Plant Physiology lectures and practicals  
1992, 94- Plant Physiology lectures and practicals for undergraduate student  
1983- Supervisor of final year projects (speciale) for more than 20 students  
1987- PhD supervisor for 10 students  
1993 Co-organizer of The 1st Joint Nordic PhD Course in Plant Molecular Biology, Uppsala  
1995 Organizer of The 2nd Joint Nordic PhD Course in Plant Molecular Biology, Uppsala  
1995 Tempus PhD training course, Wroslaw, Poland  
1998 Co-organizer of The 3rd Joint Nordic PhD Course in Plant Molecular Biology, Helsinki, Finland

### Invited Talks

1988 7th International Congress on Nitrogen Fixation, Cologne, Germany  
1990 5th International Symposium on the Molecular Genetics of Plant-Microbe Interactions, Interlaken, Switzerland  
1991 The Ninth Australian Nitrogen Fixation Conference, Canberra, Australia  
1991 XVI Congress of the Scandinavian Society of Plant Physiology, Ulvik, Norway  
1994 4th International Congress of Plant Molecular Biology, Amsterdam, Netherlands  
1996 2nd European Nitrogen Fixation Conference, Poznan, Poland  
1997 11th International Congress on Nitrogen Fixation, Paris, France  
1998 Third European Nitrogen Fixation Conference, Lunteren, Netherlands  
1999 XIX Congress of the Scandinavian Society of Plant Physiology, Joensuu, Finland  
2001 13th International Congress on Nitrogen Fixation, Hamilton, Canada

### Official duties

1989-94 Chairman of the safety organization  
1989-90 Chairman of the Board of Molecular Biology Study  
1989-90 Member of the Board of Biology Study, Aarhus University  
1991-93 Chairman of the Board of Biology Study, Aarhus University  
1991-96 Member of the Board of Study, Department of Molecular Biology  
1991-96 Member of the Board of PhD studies, Department of Molecular Biology  
1997-04 Chairman of the Board of PhD studies, Department of Molecular Biology  
1997-04 Member of the Board of PhD studies, Faculty of Science  
1998-04 Member of the Departmental Executive Committee  
2004- Head of Department  
2005- Head of Aarhus University Patent Board

Chairman of more than 25 PhD evaluation Committees at the Department of Molecular Biology
