Telefon: +4542424716

since 2010 Associate Professor, Department of Physics and Astronomy, Aarhus University

2008 - 2009 Temporary Professor (Lehrstuhlvertretung W2) Institut für Quantenoptik, Leibniz Universität Hannover

2007 Habilitation (teaching qualification) "Interaction in ultracold quantum gases"

2002 - 2008 Assistant Professor (Juniorprofessor) Institut für Quantenoptik, Leibniz Universität Hannover

2000 - 2002 Postdoctoral research assistant Institut für Quantenoptik, Leibniz Universität Hannover

2000 D.Phil. (PhD) at Oxford University on "Experiments on Bose-Einstein Condensation"

1996 - 2000 D.Phil. student at the Clarendon Laboratory,

1993 - 1996 Undergraduate education in physics, Leibniz Universität Hanover
